

A. Read the story and match the numbers to the records:

<http://www.britishcouncil.org/kids-stories-record-breakers>

2,346	The world record for hula hoops
10	The world record for jumps
15	The number of hula hoops she used
30	How many jumps the girl did
58.4	The number of spoons she balanced
99	The size of the girl's bubble gum bubble
177.737	The world record for a bubble-gum bubble
3	The world record for spoon-balancing

B. Practise your big numbers! Match the words and the numbers!

two thousand five hundred and ninety-one

seven thousand five hundred and forty-seven

45

seven hundred and sixty-eight

999

652

nine hundred and ninety-nine

7,547

237

two hundred and thirty-seven

forty-five

2,591

six hundred and fifty-two

768

Now practise writing big numbers!

749 = *seven hundred and forty-nine*

325 = _____

412 = _____

931 = _____

1,249 = _____

3,956 = _____

7,528 = _____
